Free Medical, Dental and Vision Care

Because We Can!

For the first time ever, RAM (Remote Area Medical) is coming to California, setting up shop in the heart of Los Angeles. For one entire week, RAM-LA will provide FREE medical, vision and dental care. Anyone who needs it can come – everyone is eligible and welcome.

Need Free Health Services?

All of our services are free and provided by trained volunteers*. **The doctor is free; the dentist is free; the eye doctor is free.** No appointments are necessary and there are no eligibility requirements. Care is given on a FIRST COME – FIRST SERVED basis, so please arrive early, bring a snack and be prepared to wait. Your wait may be long; chairs will be provided for your comfort. Doors open everyday at 5:30am, parking lot at 3:30am.

DENTAL: Cleanings, fillings, extractions, root canals and other procedures performed on site. Pediatric dentistry is also available.

VISION: Eye exam and free prescription glasses made on site. Cataract surgery available. (NOTE: We may not be able to make glasses for every prescription.)

MEDICAL SERVICES:

- **Pediatric Exams** (bring your children) and immunizations (bring the yellow card)
- **Adult physicals & medical consults** (including diabetes and hypertension)
- **Women's Health – Mammograms and Pap smears**
- **Blood lab work and chest X-rays if necessary**
- **Chiropractors; acupuncture; medication assistance; and many other medical specialties available.**

* Services are provided by volunteer doctors, nurses, dentists, dental hygienists, dental assistants, ophthalmologists, optometrists, opticians, and other trained health professionals from the State of California.
